How do students get to BAS Sport?

For venues that are close to Loreto College such as, Prince of Wales Park, St Patrick's College, Clarendon College, Victoria Park, and Ballarat High School, **staff and students will walk to the sport after the conclusion of the school day**. Parents/Carers will be required to collect students from the venue after their game timeslot.

For venues further than 1km walking distance from Loreto College, **transport will be arranged by the school** and Parent/Carers will be required to collect students from the venue after their game timeslot.

ROWING

Loreto College's Rowing Program is one of the best Ballarat has to offer, with Loreto's location at Lake Wendouree providing a convenient and inclusive experience.

Students from Year 8 and above have the opportunity to join the rowing program which runs from Term 4 to the end of Term 1 the following year (with camps and training running over the Christmas School Holidays). Trials begin in Term 3 each year.

Rowing regattas generally occur over weekends and students are expected to attend training before and after school, several times per week. Bus transport will be arranged for students to attend tournaments held outside of Ballarat.

There is an additional charge to be involved in the Rowing program due to the high costs of the sport.

For further information on the Loreto College Rowing Program please contact Mr Craig Smith, Rowing Coordinator:
