Dear Parents and Guardians

I would like to thank you for your ongoing support and understanding, we are all living and working in uncertain and difficult times. I wish to assure you that your daughter's safety and that of every member of the Loreto Community is my utmost priority.

At the College we are working hard to ensure that in the event of a school closure, we are fully prepared to deliver the relevant curriculum on-line. Attached to this letter is an important document (On-line Lesson Delivery Manual) for you and your daughter, to assist you navigate through the virtual learning delivery.

The Catholic Education Commission of Victoria are sending us regular updates and advice regarding the response to COVID-19. At the time of writing this letter there are no confirmed cases at Loreto Ballarat and all the advice we receive is to keep the College open.

As I have communicated to you in a previous letter, we are taking the necessary steps to ensure the safety of all members of the College. Until there is a confirmed case of COVID-19 the College will remain open, however in order to further prepare of the closure of the school the final Friday of Term 1 will be a student free day thus enabling the staff to trial the on-line learning and to prepare for a potential extended closure.

If you have any concerns regarding a virtual learning plan please do not hesitate to contact the College. I also wish to acknowledge the extra work all staff have contributed to this preparation and I thank them for their dedication to the education of your daughter(s).

Yours sincerely

(Ms) Sandra Diafas
Interim Principal
