

Host a Japanese Student

*Share your
lifestyle and home
while experiencing another culture*

Loreto College, Ballarat will be hosting 4 Japanese students in a program conducted by AIIU from September 11th until November 20th 2022.

An important part of the educational and cultural exchange is the homestay component. This opportunity is open to students in all year levels.

Students will attend Loreto College and immerse in normal classes with one day per week of English Conversation/Pastoral Care with the AIIU Group Coordinator

- There is no need to cook special food
- Japanese language not necessary
- Host families receive a tax free stipend of \$40 per night to help with the hosting costs

Hosting a student encourages host families to see their own country through the eyes of the exchange student, to visit new places and revisit old favourites, to have lots of fun and, most important of all, to gain a new family member and friend for life. Experiencing a foreign language in your own home is the next best thing to living overseas.
