

Loreto College Past Pupils' Association Arts Scholarships

The Loreto College Past Pupils' Association is generously funding a number of Performing and Visual Arts Scholarships open to any Year 8 student in 2021.

The scholarships offered for 2021 will be between the value of \$500 & \$1000. Scholarships are to be used for tuition, master classes, examinations, workshops, equipment or a special program that will support the development of skill in the specific strand of the Performing or Visual Arts including: Art, Dance, Drama, Media or Music.

In previous years between 2 and 4 Scholarships have been awarded. A formal application process will involve written application followed by an audition (for Performing Arts) or written application accompanied by a folio/film submission and an interview (for Visual Arts/Media). It is expected that Scholarship recipients will share their gift in visual and performing arts within the school community.

The final decision of an offer of a scholarship rests with the Principal.
