

'Our Loreto Kitchen' Pre-Order Form

In March 2017 we will launch the inaugural Loreto College Ballarat Cookbook, featuring recipes from the Loreto Sisters and the Food Technology Department. 'Our Loreto Kitchen' will evoke many memories for current and former students and their families. All funds raised will contribute to a dedicated Loreto project (such as the purchase of a 3D Printer) and local and international not-for-profit organisations working to address inequity in resources (such as St Vincent de Paul, Mary Ward International and Caritas).
