

## Rationale

This policy and accompanying procedures provide direction to Loreto College Ballarat with regard to reporting obligations of Child Safeguarding matters and must be read in conjunction with the Loreto College Ballarat's Guidelines for Police and Department of Health and Human Services (DHHS) Interview Protocols.

Loreto College Ballarat is committed to:

- zero tolerance of child abuse
- listening to and empowering children and young people, and
- keeping children and young people safe

Loreto Ministries, in carrying out its governance responsibilities, facilitates and ensures the implementation of child safe policies and codes of conduct across all Loreto schools. Loreto Ministries vests the management of Loreto Schools in the individual School Boards. The Loreto College Ballarat School Board executes its management responsibility through the Principal and the Leadership Team of the College to ensure Loreto College Ballarat is safe for children and young people and is a place where children and young people can flourish.

Loreto College Ballarat staff have a duty of care to children and young people. Loreto College Ballarat staff must take reasonable care to work for the positive wellbeing of children and young people and to avoid acts or omissions that could be reasonably foreseen to result in harm or injury to children or young people.

Loreto College Ballarat has particular responsibilities for safeguarding of children and young people as required by the *Ministerial Order No. 870: [Child Safe Standards – Managing the risk of child abuse in schools](#)* (MO 870). This places accountability for managing the risk of child abuse with the College. Consistent with MO 870, Loreto College Ballarat is required to have appropriate arrangements to regulate the conduct and decisions of school staff for the benefit of its students and the risk of child abuse is adequately considered and prioritised. This policy is designed to assist Loreto College Ballarat to comply with Standard 5 of the Victorian Child Safe Standards.

These arrangements include implementing and complying with the Loreto College Ballarat Child Safe Policies and having clear and comprehensive procedures and reporting mechanisms. The objective is for the Loreto College Ballarat and the wider school community to be confident in the school's capacity to make and implement appropriate decisions with child safety as priority.

## Definitions

**Loreto College Employees** for the purpose of this policy and procedure includes the board and management, principals, teaching and non-teaching staff, volunteers, contractors, service providers and parish priests or those in religious ministry.

**Child abuse** is defined in the *Child Wellbeing and Safety Act 2005* (Vic.) to include:

- sexual offences

- grooming offences under section 49M (1) of the Crimes Act 1958 (Vic.)
- physical violence
- serious emotional or psychological harm
- serious neglect

**A Sexual offence** occurs when a person involves a child in sexual activity, or deliberately puts the child in the presence of sexual behaviours that are exploitative or inappropriate to the child's age and development. Sexual offences are governed by the *Crimes Act 1958* (Vic.). Sexual abuse can involve a wide range of sexual activity and may include fondling, masturbation, oral sex, penetration, voyeurism, and exhibitionism. It can also include exploitation through pornography or prostitution.

**Grooming offences** under section 49M (1) of the *Crimes Act 1958* (Vic.) refer to predatory conduct undertaken by an adult (18 years or over) to prepare a child for sexual activity at a later time. It is a sexual offence under section 49M of the *Crimes Act 1958* (Vic.) carrying a maximum 10-year term of imprisonment. Under section 49M, the adult's words or conduct must be intended to facilitate the child engaging or being involved in the commission of, or attempt to commit, a sexual offence by the adult or another adult.

**Physical violence** occurs when a child suffers or is likely to suffer significant harm from a non-accidental injury or injuries inflicted by another person. Physical violence can be inflicted in many ways including beating, shaking, burning, or using weapons (such as belts and paddles). Physical harm may also be caused during student fights.

**Serious emotional or psychological abuse** may occur when a child is repeatedly rejected, isolated, or frightened by threats or the witnessing of family violence. It also includes hostility, derogatory name-calling and put-downs, or persistent coldness from a person to the extent where the behaviour of the child is disturbed, or their emotional development is at serious risk of being impaired. Serious emotional or psychological harm could also result from conduct that exploits a child without its necessarily being criminal, such as encouraging a child to engage in inappropriate or risky behaviours.

**Serious neglect** includes a failure to provide a child with an adequate standard of nutrition, medical care, clothing, shelter, or supervision. Significant neglect causes harm to a child that is more than trivial or temporary. Serious neglect occurs when a child is exposed to an extremely dangerous or life-threatening situation, or there is a continued failure to provide them with the basic necessities of life.

**Family violence** is defined under the Family Violence Protection Act 2008 (Vic.) to include behaviour that causes a child to hear, witness or be exposed to abusive, threatening, controlling or coercive behaviour.

**Reasonable Belief:** When school staff, or other mandated person, are concerned about the safety and wellbeing of a child or young person, they must assess that concern to determine if a report should be made to the relevant agency. This process of considering all relevant information and observations is known as forming a 'reasonable belief'. A 'reasonable belief' or a 'belief on reasonable grounds' is not the same as having proof but is more than mere rumour or speculation. A 'reasonable belief' is formed if a reasonable person in the same position would have formed the

belief on the same grounds. [PROTECT: Identifying and responding to all forms of abuse in Victorian schools](#)

**A reportable allegation** means any information that leads a person to form a reasonable belief that an employee has committed reportable conduct or misconduct that may involve reportable conduct, whether or not the conduct or misconduct is alleged to have occurred within the course of the person's employment.

**Reportable conduct** is defined under the *Child Wellbeing and Safety Act 2005* (Vic.) to mean a sexual offence, sexual misconduct or physical violence committed against, with or in the presence of a child, behaviour causing significant emotional or psychological harm to a child, or significant neglect of a child. Further information on types of reportable conduct can be found in [What is reportable conduct?](#)

**Failure to disclose offence** is a criminal offence that requires adults to report to Victoria Police a reasonable belief that a sexual offence has been committed against a child.

**Failure to protect offence** is a criminal offence applies to people in positions of authority within organisations, who knew of a risk of child sexual abuse by someone in the organisation and failed to reduce or remove the risk.

**Mandatory Reporting** is a legal requirement under the *Children, Youth and Families Act 2005* (Vic) to protect children from harm related to physical injury and sexual abuse. A child, for the purposes of the relevant parts of this Act, is any person 17 years of age or younger. In Victorian schools, registered teachers, school principals, early childhood workers, registered psychologists, school counsellors and all people in religious ministry are mandated to report a reasonable belief of child physical or sexual abuse to child protection authorities. The report must be made as soon as practicable after forming the belief.

## Policy Statement

Ministerial Order No. 870: *Child Safe Standards – Managing the Risk of Child Abuse in Schools* (made under the *Education and Training Reform Act 2006* (Vic.) sets out the specific actions that governing authorities and Victorian schools must take to meet the requirements in the Child Safe Standards for registration.

Under the [National Framework for Protecting Australia's Children 2009–2020](#), protecting children is everyone's responsibility – parents/carers, communities, governments, and businesses all have a role to play.

Child abuse can have a significant effect on a child's physical, social, psychological, emotional health, development, and wellbeing. The younger the child, the more vulnerable they are to abuse, and the more serious the consequences are likely to be. Loreto College Ballarat staff must be alert to and act on the possibility of child abuse or neglect.

Loreto College Ballarat respects the diverse circumstances and needs of all children, including the needs of Aboriginal and Torres Strait Islander children, children from culturally and linguistically diverse backgrounds, children with disabilities, and children who are vulnerable and makes reasonable efforts for their inclusion.

Loreto College Ballarat is committed to compliance with the Victorian Child Safe Standards. This policy and accompanying procedures apply particularly to *Standard 5: Reporting and Responding to allegations of child abuse* and stipulates processes for responding to and reporting suspected child abuse, how to respond if they suspect or are witness to a student sexually offending as well as the school-specific requirements for responding to allegations of suspected abuse.

Loreto College Ballarat must have procedures for responding to allegations of child abuse. The procedures must be:

- sensitive to the diversity of the school community
- publicly available and
- accessible to children, school staff and the wider community
- Loreto College Ballarat observes the joint protocol [PROTECT: Identifying and Responding to All Forms of Abuse in Victorian Schools](#) which exists to protect the safety and wellbeing of children and young people. This protocol supports all Loreto College Ballarat school staff, which includes volunteers, contractors, other service providers and religious leaders including clergy, to act if they suspect, or are witness to student sexual offending.

These protocols are adopted and implemented at Loreto College Ballarat.

## Reportable Conduct

Loreto College Ballarat is required to:

- have in place systems to prevent reportable conduct and, if reportable conduct is alleged, to ensure allegations can be brought to the attention of appropriate persons for investigation and response.
- ensure that the Commission for Children and Young People is notified and given updates on the organisation's response to a reportable allegation through the Manager Safeguarding and Standards.
- report to Victoria Police as soon as he/she become aware that a reportable allegation may involve suspected child abuse or criminal conduct.
