

## How to prepare for university in 2022: Year 12 student & parent information session

### Are you a Year 12 student or a parent supporting your child on their path to university?

Federation University invites you to a free, informative Q&A session where you'll hear from our expert support staff as well as current students and their parents, who will share their personal experiences and advice on transitioning from high school to university.

The session will provide you with all the key information you need to support your child and family in the crucial months ahead.

You'll also hear about the advantages of studying in your own region, including the many financial, social and career benefits.

**Don't miss the opportunity to join the conversation.**

#### Learn about:

- course options and study modes
- the application process
- alternative pathways to uni (including what to do if you don't get the VCE results you hoped for)
- scholarships, fees and government supported student loans
- accommodation
- academic and general student support services

**Tuesday, 12 October 2021**
