Edrolo

As parents, we know you want your child to make a strong start to the year so they can succeed in their VCE studies. Edrolo is an online resource that will support them with their coursework, assessments and exam preparation.

Complete your payment so your child can continue using this essential resource.

| January - February	March 15
Log in to Edrolo to make your payment - **course access will be blocked if your account has an outstanding amount owing.**	**Payment cut-off date**: students may permanently lose access if payment is not received by March 15 and your school may issue you with an invoice for the amount owing.

Step 1: account activation

If your child is new to Edrolo they will need to activate their account using their school's unique code.

Go to **https://edrolo.com.au/activate/mng-vrb/** enter the students last name, verify your email address and you're in!
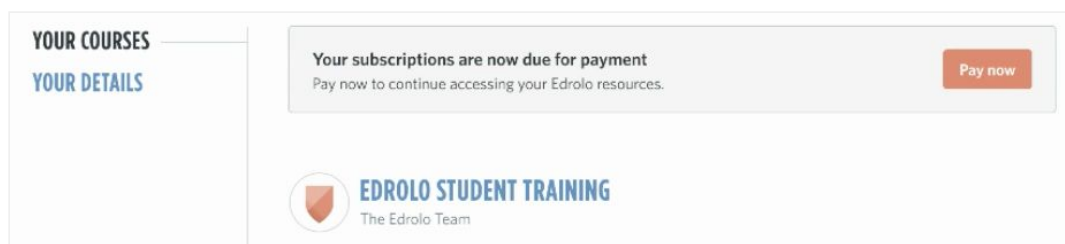

If your student has used Edrolo before they can skip this step and log in as normal

Step 2: complete your payment

Your school has chosen to collect payments through our online payment system connected to your child's Edrolo account.

Ask your child to log in to their Edrolo account then click on the **'Pay now'** button at the top of the screen and complete your payment.

For more information about using our Payment Portal, go to edrolo.com.au/paymentvideo

Step 3: your child can get started with their VCE courses on Edrolo!
